

*Lin Yue Hua wants to serve as a missionary in Northwestern China. He desperately needs resources to unlock the truths of the Bible.*

**Lin Yue Hua and his friends are looking for solid Bible teaching.**  
**Your gift of £15 can help put Derek Prince's materials in their hands.**

Over the years I have often shared with you about the discipleship challenges facing Chinese Christians and asked for your help. And I am truly grateful for your partnership through your gifts and prayers.

Also, I am grateful for our partners and co-workers inside China too. As a friend and supporter of our China Outreach, I want you to know that their dedication and hard work — coupled with your generous donations and prayers — have helped to turn thousands of converts into disciples and to strengthen the Church across China.

**That's why I hope we can count on you again because there is still so much work to be done in 2014.**  
Your gift of **£15**, **£30** or **£60** will enable us to reach more Chinese believers like Lin Yue Hua with Derek's life-changing Bible teaching.

Before I tell you about future opportunities, let me share with you about how we put your gifts to work last year through effective partnerships.

In 2013, we printed inside China over 645,000 books by Derek Prince including 125,000 copies of *Self-Study Bible Course*, 60,000 copies of *Marriage Covenant* and *God Is a Matchmaker* (two Derek Prince books in one volume), and 60,000 copies of *Secrets of a Prayer Warrior*.

Your gifts helped to cover the printing costs. Chinese believers used their skills to design the book covers for free. The commitment of Christian printers ensured that thousands of books were produced cost-effectively, and the determination of teams of volunteers, put them into the hands of Christians in towns and villages across China.

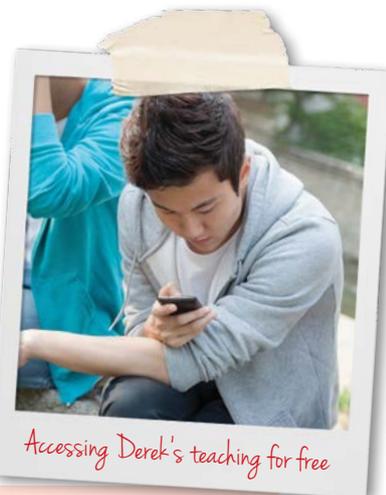

**By partnering together we helped millions of Chinese Christians to grow in their faith.**

**Continued over...**

The launch of a Chinese language Android app for smart phones is another example of effective ministry partnerships. A Christian brother from Singapore partnered with us by making a generous donation toward this project.

**Thanks to this new partnership, over 500 million cell phone users in China can now access Derek's teaching for free.** These are just two examples of your vital role in helping our DPM co-workers and local partners respond to the cries for help of thousands of believers who desperately need solid Bible teaching.

But I don't want to simply focus on what we achieved in 2013. I also want to tell you about new partnership opportunities and to invite you to join with us today by giving **£15, £30, £60**, or whatever you can share.

## 1 A unique opportunity to resource Chinese Christians through Derek's teaching CDs and DVDs.

Teaching CDs and DVDs are effective tools for discipling Christians in China. That is why last year we produced over 430,000 discs including 136,000 DVDs and 300,000 CDs and VCDs containing Derek's teaching.

This year we want to produce 200,000 DVDs and 200,000 CDs with Derek's teachings on key topics like forgiveness, blessings and curses, and intercessory prayer. Such teaching is desperately needed in the Chinese churches.

We have more than 100 teaching DVDs we want to make available. A Chinese partner will compile the teaching, format it and create new DVD masters for free. Also, several volunteers are ready to arrange distribution of the newly made DVDs to Bible schools and local churches.

What we urgently need is your help to produce the CDs and DVDs. Will you partner with us today?

## 2 An exciting opportunity to ensure that pastors and missionaries can dig deeper into the Bible with the *Self-Study Bible Course*.

A Chinese Christian leader who has connections with 20 different church networks in China and who has recently started an organization for training Chinese mission workers asked us for 50,000 copies of the *Self-Study Bible Course*.

He is seeking to partner with us by making the *Self-Study Bible Course* available to pastors in these networks and to missionaries who are getting ready to take the Gospel to the far west of China, and later on to Cambodia, Laos, Thailand and, most excitingly and strategically, the Middle East.

**Your gift of £15 can go a long way towards equipping 30 or more pastors and missionaries with biblical tools for unlocking the truths of God's Word.**

Our DPM China Outreach relies on the generous support of ministry partners like you who know and love Derek's teaching. So, I hope you will respond to my invitation to renew your partnership with us.

Please send a gift today using the response form or give online at: [www.dpmuk.org/china](http://www.dpmuk.org/china).

I am thankful that together we can *reach the unreached and teach the untaught* across China!

Yours in His Service,

Ross Paterson
